**Hey Faves.... Starting to Feel more like Thanks Giving Day
Weather ☺**

Hope You are All Well & Good & Happy...

ThanksGiving Daynow less than 2 Weeks Away !!

The 10-Day-WunderGround ForeCast

.....Looks like it's supposed to be Sunny this Afternoon &
Tomorrow...Rain Sat.PM and Sunday...

Plenty of Sun next Monday thru Friday.... Decent chance of Rain again
next Sat-21st & Sun.22nd...

But check out these High Temps they're expecting....

Starting with Today... 37*--47*--51*--42*--36*--44*--52*--41*--56*--
41*F....

And the Lows-Early-AMs...

Starting Tomorrow.... 42*--32*--30*--26*--38*--38*--40*--34*--29*F....
Certainly getting right in line with Mid-November Norms...

**It is now Official....This Tropical Storm Season...in the South
& North Americas... there has had more seriously measurable Storm
Systems than any previous Year...??? 2005 was close...but 2020 came up
with more. Some say this development due to a specific area of Ocean
Waters being 1°F Warmer than the last 30-Year-Avg... ☹... Don't
matter... It's all Cyclical.... My unEducated guess is that there was likely
more 'Storms' than ever recorded way back before the 'Recordings'
started in the Year of our Lord 1851....a Hundred Years before I was
born... ☺**

***** Just Talking** with a Grower Pal that just finished Picking 4 Days
ago ...with a New-Late-Harvest Variety....

The Apples are beautiful...but Wow.... That gets pretty late... ☹.... Surely
sounds like it's pretty lucrative if you can manage the Harvest-Labor-
Intricacies---That can be Tight-Rope-Walk.....

***** Yup.... 28 Years** ago Yesterday---November 12 - 1992....My Folks
took off together for their Heavenly Home... a result of a CarCrash...
Neither our Mom or our Dad was driving....

Interestingly...??? Both Mom & Dad had been *praying together* that our Good & Gracious Lord would somehow take them Home Together....🙏🏻... and Nobody else involved in that Crash was seriously hurt...?????

Our Awesome God works in mysterious ways... He can do anything....

**** **I Mentioned the "Jericho Walk"??** From the "Ridge"...it takes a hair over an Hour to get to the Capitol-Lansing ... It takes about 85 Minutes to Walk around the Capitol Building 7 times.... If you want to jump in with a Fave Patriot of mine and ride together...???

..... call Larry Zahm--616.520.3535

**** **Tomorrow... 5pm-- 9pm....Dads Barn....**

Deer Hunters Opening Day Happy Hour....

...as you Know, the 15th-**Sunday**--is actually Opening Day... We will Worship as Usual Sunday Morning... and then Resume the Happy Hour **4pm-Sunday....til 9pm...**

Bring your Deer Rifles if Ya wanna shoot at Targets before getting into the IceBucket.

You can be back from the Jericho Walk in plenty of time for Happy Hour !!!!

....**Solar ...Feed-Back-Questions...**

....No...We did not check into the Solar Offers advertised on TV that say **"Free"** **"No-Out-Of-Pocket-Cost"**??? I don't think those are for real... You will be Paying All-the-Money in some way at some point.... I think...

....Yup...Still planning on Almost 7-Year-Pay-Back on ours.... maybe 6 Years...🙄

....No.....The only way to totally get away from the 'Grid' and away from any big "Power Company" ...???....

....Is to spend \$\$\$Mega-Bucks\$\$\$ on Storage Batteries ..

Alot of Batteries... For us=\$1000-a-month-Usage...???....A Lot of Batteries....

Bottom Line.... *If we had a 'Normal' electric Bill every Month...??

We would not have done this.... *If you have a horrendous Electric Bill...???....and you always end up paying kinda too-much-Income-Taxes...???... Then you should seriously look into Solar. My Pals that have the Apple Storages tell me that their "Pay-Back-Time" for their Solar-Install is 40 - 54 Months. They say it really doesn't make sense if you're not having to pay much Income Taxes...???...🙄🙄

...Also.... For some of your Properties... You should check into any advantages you can maybe get if you have that Property listed as a "Business"...????.... it might require you setting up a new LLC... you can do it yourself...OnLine.... \$150....

...Good Questions.... Thanks 🙌😊

Gods Peace.... Locked & Loaded.... r
