## Fruit Ridge Notes - Friday - July 10 - 2020

### **Very Happy Friday Morning - Gooding St. - 1.1 Inches of Life Giving Rain !!!!!**

My Lovely Bride 'Honey' and I made a Delivery run yesterday to Sodus area.... On our way back we drove thru some Huge Rain Down-Pour west side G.R....a bit of Hail in that ...Some Drivers pulled right off the Road....

This Rain here west of Sparta came real easy nice.... Sooo Thankful for all the answered Prayers.... Our God is Great !!

WunderGround 10-Day is saying 5 for 10 for Sun .... and 5 for 10 for Chance

of T-Storms....Today and next Wedn-Thurs-Friday-Saturday.  
All Praise be to Jehovah God !!

### **\*\*\*\* More Fantastic News .... One of our Faves up North...West of Traverse City Called ...**

Just to say how Xtreme Pleased he is with his Crop of Tarts....and Black Sweets... Full-Crop ...and No Disease Issues or Symptoms... Lots of Dark-Green-Lush Foliage ....

These are Big Boys.... Lots of Acres.... A Lot....

I asked him about their 'Program'...

He has "Stopped-the-Bleeding"... They use a lot of VitaZyme, MainStay Calcium[Soil Applied]...MainStay-S.I.-Foliars... OxiDate 5.0, CS2005, and Redox DiKaP, Rootex, RxPlantinum, OxyCom Ca... and ORO\_Agri Products.... Alot....

These Guys are Big-Acres...so we don't pretend to get a huge percentage of their overall 'Program'.... But I know the Neighbors around there are commenting on how impressive their Cherry Orchards are looking.... ...the overall Tree Health and Production... Huge .... Nice.... They "Stopped the Bleeding"...

**\*\*\*\* One of Our Associates ...Mentioned** they are having very good results with 3 Lbs-Ac-Grandevo for SWDs Control... I *reeeally* like Grandevo.

I just wish Blueberries were worth really Huge Money... Full-Rate-3Lb-Grandevo is \$54...???

But Hey...If I'm Organic, I'm using a bunch of Grandevo.

**\*\*\*\* Lots of ORO-Agri Product** Goin out the Door.... Their **Prevam** is the one I got seriously started with 15-18-Years back...??? Very Impressive...  
...**A Broad-Spectrum "Contact" Fungicide-Insecticide-Miticide** ...We get immediate 'Knock-Down-Kill'  
...**Use 3 - 4 Pint-per-100-Gallon**  
...**Prevam \*Disrupts Breathing-Suffocates..\*Dessicates..Drys the Insect out.. \*Destroys Wings.. \*Greatly reduces females ability to lay viable Eggs.. \*Also gets most Larvae - Instars - Eggs...causes collapse.. \*We have seen great results on ArmyWorm and Cutworm.. \***  
...**Prevam Dessicates the Protective Phospholipid Layer of Fungi...virtually all Diseases.**  
...**Works on Anything that Sporulates...**  
...**Tank-Mix-Compatible with almost all of our Faves... Seriously enhances the Efficacy-Performance of all our Pesticides.**  
...**Speeds up Drying time from Dew**  
...**Great "'Odor Masking Agent"' ...Leaves Fields smelling like an Orange Grove**  
...**No PreHarvest Days Issue... No MRL Issues... Safe to Beneficials...**

**Seriously Pals....** Prevam very efficiently helps clean-up existing Pests infesting your Fruit & Vegetable Crops....  
If I have 3 Apps to go before anticipated Harvest, I want Prevam in the Tank on 2 of those Apps...  
And...a superb Tank-Mix-Pal for OxiDate 5.0 ...Both Very "'Low-Cost-Hi-Efficacy-per-Acre"' ...

**\*\*\*\* Yup... We are Picking-Up** any Empty Totes that you may have.  
I think we are still not charging a Deposit on Totes, even tho some Manufrs charge us a Deposit...??  
If you have any Empties, let DeeTeam know. Matt will grab'em...

Gotta Get to a Meeting....Talk Soon...

**Locked & Loaded....**
