Fruit Ridge Notes - Friday - October 25 - 2019

So... T.G.I.F....??? Not the Prettiest Day ... So far I've seen the Sun about 13 minutes total on Kent Citys West Side. And... One Week out is Nov. 1st.... So maybe then we get October Weather...???

This last 3 weeks of Cold-Rainy-Windy has all been November type Deer-Huntn-Stuff.....

....and
Good Grief...Only 2 Months til **CHRISTmas**

****** Lots of Herbicide-Apps goin on ...** Traditionally...a Good place to get rid of some of the really old Inventory on the Shelf. One valid concern is always ""Tank-Mixing""Avoiding a Tank-Full of Sludge. The Guys that do the Adjuvant-Surfactant-Strategy of 1 pt-100-Ga-*Indicate 5* plus 2 pt-100-Ga-*InSpray-90* ... seemingly almost Never have issues.... 99%-Never.

Some Guys doin the whole Orchard Floor with 24 oz-Ac-Amine-2,4-D ...but thats a separate trip than "the Strip".... unless you've got 2 Tanks on the Rig...??

****** For Over-All Root Health ...** Where you have seen signs of Wet-Feet.... Get 1 pt VitaZyme into the Tank with 3 Qt. SuperPhite...like Formula-II-SW or K-Phite7LP. If you're dealing with serious symptoms, then we need to do more ...involving some Redox Strategy.

****** Looking Ahead** Recently visited with Jen Bellamy - ChoiceOne Bank. They are welcoming all new Line-of-Credit-Business 616-678-5658 ...Talk to Jen, or Brian Bacon.

It looks like right now "Prime" is 5% ... Normally a LOC-Loan-APR is 1/4-over-Prime...??

Also... We have several Grower Pals using "John Deere Finance" ...seems to work well ..??

****** There will Again be Several Products Available for ""Year-End-Deals""**involving some significant saving\$. Pls make Your "Wish-List" and get it to Deanna.

Some Times--Most-of-the-Time.... We can keep your Year-End-Purchases here in Temp-Controlled-Dry-Storage for the Winter....Delivering to Your Dock late March.
