Fruit Ridge Notes - Wednesday - April 17 - 2019

Greetings a Cool & Cloudy Hump Day

Rain Tonight ..?? Almost 60* tomorrow ...chance of Rain Early.

The **"Green"** keeps on tryin You can see some today that you couldnt yesterday.

I noticed that when we finally get rid of the Ugly-Brown-Grass-&-Dog-Droppings-Visual....??? Its also time to start fighting Apple Scab..... Seems to work that way every year.

******No Official Infection** Yet???? At least not around Ridge Amy said the orig - Sparta Station is actin Goofy...???

******Alot of Calls** lately from Guys that have "Stopped-the-Bleeding" ... Thank You. You'll soon see that Redox is indeed the best way to arrive at the perfect 'Nutrition-Strategy' and You'll see it right there in your own backyard.

******Q & A ... Indeed.... Propiconazole** - "Tilt" ... "Topaz" ... "Bumper"....

I really really like **Propicon 3.6EC** Alot !!! There are aprpx 80 of these Propicon products on the Market.

So you can guess why I like it so much Its is Sooooo very Competitive-Cheap !!!!

And... For use on all the Vegies I can think of...all the Stone Fruits ...Bluesbut ***Not Grapes***and Only Non-Bearing-Apples....

....Kinda like Tebuconazole a great old Sterol Inhibitor Like on Young-Hi-Dollar-Apple-Systems....Use 3 oz-per-100-Gal-Water which is less than \$2-100g....like less than 50 Cents-Acre. Me...??? I'd be more like \$4 - per-100Gal.

These old S.I.s are still very effective on certain Diseases.... and then again Not-So-Much on other Diseases.

ButThey're like 'Free' ...and they Tank-Mix very Nicely.

So Hmmm.... Why would I not do this...???

Examples ----Tarts - 4 oz-Ac---5 Apps-Season-- o Da.PHI

....**[\$2.20]**...Same for Sweets... Blues - 6 oz-Ac--**[\$3.45]** 5 Apps...30 Days PHI

OK... So a 2.5 ga. Jug only costs like \$160 ...??? If you get it here

14050 Fruit Ridge Ave

But ...Be careful of the other Names for the same stuff... It might cost you 2X - 3X more if you aren't careful. And make sure you get one thats labeled for your Crop and here in MI.

So.... Just get it here. 😊😄👍 If you get the fancier Name brands 'down-the-street' it can cost you.

Like A 200 Ac. Blues Guy can use about 50g a Season. If you pay an extra \$20-per-Gal....so You just blew \$1000.

You Know.... Youcan take Your Wife to Ruths Chris 4 times for that. 🤔😄

*****Yup ...We're about 7 Days behind** the avg DegreeDays Norm....

Blessings.....r
