Hey Grower Faves.... Some Decent Weather for Row-Crops....Apples....

...the Veggie Guys are slowing-down to a finish. Some Veggies are done.

WunderGround 10-Day ...

66°F==Avg-Highs..... 49°F==Avg.Lows..... So...InSpite of the Summer-Like-Weather for this WeekEnd...??? Those 10-Day-Avg-Temps are almost the same as projected on Monday...2 Days back....

Pretty slight chances of any Precip.... Looks like a chance Monday PM...almost....

We continue to *Pray for All our Grower Brethren* out in the Wild-Fire-Areas---West Coast...So sad....

****** Our Prayers are with the Family of Jackie Ruiter...**Thats Mrs. Phil Ruiter... and Our BeLoved **Kathy Youngquist** is Our Nephew Mark Youngquists Bride...and one of Jackie & Phil Ruiters Daughters.... 🙏
Prayers & Love & Hugs & Condolences & Sympathies going up & out to them.... Gods Peace & Comfort.... 🙏
Phil & Jackie were the owners of Peach Ridge Orchard Supply when I was young...

Also..... Prayers for Our Lord to receive the soul of **Tom Braman** ... a dear Friend from the Produce Bizz Years ago.
I remember 30 years back Tom was considered one of the sharpest Marketers in Michigan... 🙏

****** "Michigan Supreme Court Rules for the People !!!! "**

.... Thats a HeadLine I noticed on the North American Law Center 'EMail-Blast'.... So ... That fight is far from over for the Growers that have been unjustly & illegally persecuted by this socialist governor...???...but this is a huuge Win for our side.

***** Please Let the DeeTeam--616-887-9933-- Know....** if you have any Empty Totes that you'd like us to Pick-Up...???? We have Suppliers-Vendors asking for them back.... Thanks Much !!!

****** Most of our Grower Pals** are Members in the **National Federation of Independent Business....** the **NFIB** is a Huuuge advocate for Small Business...and the AG-Production Folks are all '*Small-Business*'...
....and so....

I was reading their Election--Voting--Suggestions...Who is *Best for Agriculture...???*

Which Candidates are Best for the Economic Future of our Businesses...????

Their Recommendations are all Republicans !!!!

Our God helps us Win !!!

**** **Honey & I had a Meeting Tuesday AM...** So then afterward, we went to the **Brick Haus Brews** ...Sparta ... very nice. Great Food... Great Brews... Great Server-Staff... An Ol'Pal from the 70's now owns this Beer-Brewing Establishment !!! We will be going back...All Thumbs-Up... It's right on north-side Main Street west of the Ace Hardware...

**** **I am Hearingthat the Oval Office** is now aware of this...???
....and we can maybe expect some accelerated action soon...??
About how the SatanicDrugCartels have over-run the Produce-Bizz in Mexico...and are in control of almost all the Truck Loads of Veggies USA bound... and are loading serious quantities of hard-core-drugs into certain Loads... buried in the Veggies...a lot of Drugs ...and only 1 occasional TruckLoad gets caught. They dont care if 1 out of 10 Loads gets caught... They make Billions of Dollars on the rest. That is why the Mexican-Veggies-Selling-Price is so crazy cheap... putting a huge crunch on any profitability for our Michigan Growers...and Veggie-Growers all over the USA... The DrugLords take very good care of the Producers in Mexico.... and if they resist...??...Human Life means absolutely nuthin to the Cartels.

I heard evidence of this over a year back...and since then 3 Pals told me of some more evidence. This is real. Hopefully our Fed-Agencies squash these Satanic-Low-Lives.... Soon.

So..... Moral of Story....

Always buy American Made.... All Produce grown here - USA...👍👎🍌 **Preferably Michigan** 😊😊

With the Huuuge Major Buyers ...like from Aldi...Meijer & Walmart....???....being well aware of these horrific things happening...??? It surely seems like they would cut them off...and not use anything from those Cartel-Infested places...??? They very promptly cut off US-Producers when they just swat a Steer on the back of the head...😞😞 ...and believe me...If you & I know about these Cartel Issues...???...those Buyers knew it a year ago...

So Much BullCrap goin on in this corrupt and twisted culture nowadays.... We reeeaaally gotta keep fervently Praying....

Gods Peace ...
