## Fruit Ridge Notes - Monday - October 14 - 2019

### Hope You Had a Good Weekend....???

Many recent Rains have seriously complicated the Harvest ... So crazy Soggy ...All over the place....

My Brother Bob used to say, "If this was easy, anybody could do it." ... 😞

\*\*\*\* **Affirmative...The NWMO+V Show ...** Thats the NorthWest Michigan Orchard & Vineyard Conferences....

They changed it for this Januarys "Redox-U." ...always used to be Dinner following the "U" on Thrs.PM ....???

.....But now we are doing Dinner the Wednesday Night before the "U" ... 🍷👏🤔🤗 This is a Very Good Thing !!

\*\*\*\* **One Month from Today...???!!!!! Yes....**Get your

**Paraquat3SL** Ordered.... Paraquat purchased before Nov.14 can be used up according to the regular old Label that we have been dealing with for years. And don't settle for that "Gramoxone 2L" stuff; it has only 2/3s the A.I... Ya gotta use a lot to get it to do anything.

After that Nov.14...?? Using new Product...?? Your Operators will all need extra-special-Licensing.... and the Product will all come in a "Closed-System" ...and your "Spray-Rig-Mixer-Tank" will need certain specific modifications in order to be legal.... Quite Awful actually .....

Get with Deanna asap to see what is still available of the good stuff ...the "3SL"

That "Dads Barn" is the last Building on our Farm-Stead that my Dad actually built. So a few years back we decided to make it into a Party-Venue.... Kinda Fun. Dad would be 118 years old if he were here..... They tell me that Ol Barn is close to 80 Years old...maybe older.
