## Fruit Ridge Notes - Tuesday - Dec. 17th - 2019

**Wow.... One Week from Today is CHRISTmas Eve Day  
!!!!?????!!!!**

....just seems crazy how Days & Weeks just Blast-on-By.... Ya s'pose it has to do with my age...??

Just ACupla quick Reminders ....

\*\*\*\***We really hope** you had so great a Fiscal-Year that your Tax-Guy is now telling you how to \$\$\$Strategize\$\$\$ to avoid paying too much needless avoidable Income-Tax....???? Is he or she telln you to spend some 'Expense' Money before Year-End...?? RGSs is again a resource for you to put some of those Funds into PrePay where we actually pay you Interest on it.

And...another Option is to make a specific year-end-Purchase ...Product you know for sure you are gonna use in the 2020-Strategy.... Many of You simply get a "Good Deal" from Deanna on a Pallet or specific quantity of some certain Products...and RGSs then keeps those all ready to Deliver to You in the Early Spring ....or whenever you are ready for them.

And We do Indeed truly Appreciate & Need You using RGSs for this Year-End-Purpose. Being a Family-Owned & Operated-Small-Time-Mom & Pop-One-Location Entity limits our Resources compared to the Billion-Dollar-International-Congloms.... the BNRs .....

....**BNR** being our competition ....the *Big-National-Retailers* ...

\*\*\*\***I Want to Express a Huge Special Thank-You ....to Steve & Theresa Paul** ...our Dear Friends & Associates ...that came into Great Lakes Expo on Sunday and helped my Honey set up the Super-Booth on Monday .... Steve had to be in Meetings all Day Monday with me, but Theresa faithfully helped my Bride as she has for several years ..... and the booth was Beautiful !!!! Thank-You...Thank-You...Thank-You !!!!!!!

Honey[Linda] is doing very very Well.... The 3-Hour-Aortic-Valve-Replacement-Surgery is requiring a bit more recuperation than Honey bargained for.... but she is accepting it. They told her 6 - 8 Weeks, so she figured 4 or 5. Well...Its been nearly 6 weeks now.

They also told her it takes some folks up to 2 Years to fully 'get-back-to-normal' !!!?????!!!

We actually enjoyed some SunShine at Gooding St this AM....for 117 minutes !!!! Priasing our Awesome God for that !!! We desperately need every minute of **Son**Shine that God wants to shed on us....

Happy Tuesday Afternoon.....r
