Fruit Ridge Notes - Tuesday - August 6 - 2019

Howdy from cloudy Kent City! Looks like it could rain at any time, sure wish it would!

Not sure how widespread that rain overnight was, but we got about a half inch here at Kent City. We really needed that, and more! I guess there was some storming too? I slept through it if there was, praying no one suffered any adverse effects.

*****Retain....** I have gotten several calls about Retain lately. In the past I have been able to find pretty decent pricing on it, but this year I'm not having much luck. If I don't feel I can save you any \$\$ I don't bring it in. Our price this year would be around \$283 (if we had any in stock!). If that price sounds good to you let me know ASAP so I can get it coming!

*****Make sure you are paying attention to "max rates per season" and Pre Harvest Intervals on all your pesticides! If you need help call our office 616-678-7708**

*****We do have 7'-8'-9'-10' Aluminum SuperDuty Step-Ladders from Strathmore**

.... And ...the 36Lb-Neo-Nylon-PickinBuckets....and the 1Bu-Super-Bucket from YieldMaxx

Also any Totes we brought You that are now Empty...????

We would be more than happy to get those out of your way! We can pick up whenever!
