Hey All Another Crap-Ugly Day
Seriously ...Why pull any punches...? Brutally-Crap-Ugly...

****** Wow....Lookn at the Size of the Fruit** and the **Number of Bins-per-Row...**

.... in those Red Delicious East of our House in that Trial Block....???
....Thats in that Block where there has been "No-Granular-NPK+Micros-Dry-Blended-Fertilizers"and No commonly-used-traditional "Tracite-20-20-20-Type-Soluble" Nutritions...
.... and ... **Only** the Redox-Strategy-Nutrition for like 6-7 Years now....???

Fruit Size == **Huge**
Bins-per-Row == **Huge**

I do not have the actual precise Yield Data yet
But Ive been watchin this kinda stuff for 55 yearsJust sayin..... **Huge & Huge.**

****** So Just Talkin with a Pal from towards Holland....**

....and He isn't sure where Dads Barn is, because he never knew where our house is....@ 1718 Gooding...

OK... 😊 If you are coming in from the West...??? Sternberg and Ellis are the same Road as Gooding St and 13 Mile Rd...All Same road.

And...If you're over 85 yrs old, you might call it "Old 500" ...??? It's also known as B-72 goin by our place.

When I leave home and go straight west I will get to the Big Mall at Harvey St. If I go East I get straight into DownTown Sparta...

Andalso... aprx 650 Ft east of our House is intersection with "16th Ave." ...where the Old Reister School still stands on the NW Corner. We are the 1st place west of that Corner on the South side of Gooding... The Huge CA-Storage-Facility-"Good Fruit" is right on the west side of our Lawn....and on the west-side of "Dads Barn" ...

"Opening Day" ...at Dads Barn ... All Day Friday - 15th - November.... Food and Drinks...

****** Lund University ...a Prestigious University in Sweden**

...Ranked in the **Top 100** Universities in the World.... Just finished a Study revealing that, on average, the Hollywood Elites and the Famous-Extreme-Wealthy Folks, are burning up well over 1000 times more Fossil-Fuel-Carbon-Creating-Energy per-Person than You and me ...the "common-folk".... Us peasants ... Us 'Commoners' that are producing Food & Fiber for Billions as we cling to our Bibles & Guns.... 🙄👍🙏

I feel so Blessed to be a Commoner May our Awesome God Bless these United States....
